Welcome to Elite Online, how you doin'? I'm doing great, trying to keep myself busy over the summer!

Wonderful to have you featuring, what was it like to shoot with us? I had the most fun shooting with you, I felt super comfortable and every photo I saw of myself put a smile on my face thinking "is that really me?"

How was your trip up with the girls, did you have fun? I had lots of fun with the girls, we got to also go to a cat cafe together too... how cute is that?!

Do you also watch what you eat, or is every day a cheat day? Oh I try to watch what I eat, but in all fairness most days are cheat days.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Ah, has to be a lovely cocktail - pornstar martini is my favourite!

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out? Sitting in the sun, with a bottle of beer surrounded by friends and a big BBQ!

Welcome to Elite Online, how you doin'? Amazing at the moment, I've got some great things to look forward to with good people.

Wonderful to have you featuring, what was it like to shoot with us? I loved every second, I suffer with bad anxiety so more than one person was a challenge for me. but you guys made me feel comfortable and I enjoyed it so much!

How was your trip up to Newcastle, did you have fun? Yes! I always enjoy traveling and Newcastle was the furthest so far. You guys were amazing, I really enjoyed chatting and listening to good music.

Do you also watch what you eat, or is every day a cheat day? Hell no, my diet is cake, cola, and my favourite tortellini.

What's the dirtiest meal you regularly stuff your face with? I think all my meals are pretty dirty, I do love a battenberg though.

Photographer: ATOM

SPEAKING OF AWESOME WORK, ARE YOU INSPIRED BY ANYONE IN PARTICULAR OUT THERE RIGHT NOW PUTTING CONTENT INTO OUR BRAINS? YES I REALLY LOOK UP TO THE BEAUTIFUL SHELLY D'INFERNO, HER WORK IS AMAZING AND SHE'S A BIG INSPIRATION.

SUMMER MEANS FESTIVAL SEASON, GOT ANY DATES OR GIGS YOU'RE LOOKING OUT FOR? I'VE NEVER BEEN TO A FESTIVAL NOR MANY GIGS, BUT I AM GOING TO SEE ANDERSON PAAK IN AUGUST.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Not a big alcohol fan as I don't drink often, but Strongbow Darkfruits is the one.

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out? Chilling on the beach and going on long walks with my man.

Photographer: ATOM

A woman with blonde hair and multiple tattoos is lying down, looking towards the camera. She has a large floral tattoo on her upper arm and a circular tattoo on her forearm. She is wearing a white top.

SUMMER ALSO MEANS LOTS AND LOTS OF OUTDOOR SHOTS. WHERE IS YOUR FAVOURITE PLACE TO SHOOT? AND WHAT'S A MUST ON SET FOR YOU? I LOVE SHOOTING ON BEACHES AND IN FORESTS, BUT SADLY HAVEN'T GOT TO THIS YEAR. I DON'T HAVE ANY "MUSTS" I HAVE TO HAVE ON SET, I'M EASY GOING.

WHAT HAVE YOU BEEN...
...LISTENING TO RECENTLY? I'M WEIRD AND DON'T LISTEN TO MUSIC ALL THE TIME, BUT WHEN I DO IT'S EITHER JAMES BLUNT, DAVID BOWIE OR THE GUARDIANS OF THE GALAXY SOUNDTRACK.
...WATCHING RECENTLY? JANE THE VIRGIN IS A FAVOURITE OF MINE.
...WEARING RECENTLY? LEGGINGS AND CROP TOPS.

Welcome to Elite Online, how you doin'? Hey! I'm doing super awesome thanks! Recovering still from the UK shootfest organised with 60 models, can you imagine?

Wonderful to have you featuring, what was it like to shoot with us? It was literally a dream, I never thought I would see the day I would be in a mag, but here I am! Had such a blast meeting ATOM, Keshia and was good to see Bri Focals briefly!

How was your trip up with the girls, did you have fun? So much! I felt like a hot babe delivery service with lots of laughs and snacks on the way up!

Do you also watch what you eat, or is every day a cheat day? I like a cheat day once in a while, but I have to be careful as my body clings to weight, seems I was destined to be thicc.

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out? Being able to go exploring with a warm breeze, ice creams at the beach and how light the evenings are.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I absolutely love outdoor shoots. Nature is my favourite place to be. My perfect shoot would include lots of flowers, waterfalls and rivers. A must is good tunes to break up awkward silences and to get in the flow.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? Oh there are so many to mention! I've always been a big fan of Rosie Hardy and her conceptual work. Corwin Prescott is a huge inspiration to me. Amy Spanos is killing it at the moment and it was so lovely to get the chance to see how she works at the SGUK shootfest. I am always inspired by so many in the SuicideGirls community, a few to name are Ayah, Aeterna, Aisling, Milloux and of course I have to mention Penny and DollyD, they are putting out some beautiful work and really helped me with my own shooting.

WHAT HAVE YOU BEEN...LISTENING TO RECENTLY? I'M ALWAYS LISTENING TO MY CHILL PLAYLIST ON SPOTIFY. CURRENT FAVOURITES ARE BALANCE AND COMPOSURE, FROM INDIAN LAKES, DON BROCO, DREAMSTATE, MARMOZETS, AND I COULD NEVER FORGET GLOOMS COS I'M LOW KEY OBSESSED. **...WATCHING RECENTLY?** STRANGER THINGS, OITNB, PRETTY MUCH ANYTHING ON NETFLIX. **...WEARING RECENTLY?** BASICALLY NOTHING IN THIS HEAT! I'M ALWAYS IN THE SAME CLOTHES BECAUSE MY DAY JOB SO WHEN I GET OFF I'M STRAIGHT INTO COMFIES OR A FLORAL DRESS ON MY DAYS OFF.

Photographer: ATOM

Photographer: ATOM

SUMMER MEANS FESTIVAL SEASON, GOT ANY DATES OR GIGS YOU'RE LOOKING OUT FOR? OOH I'VE NOT GOT MANY THIS YEAR, THERE ISN'T MUCH ROUND MY LOCAL AREA SADLY, BUT I'M HOPING TO GO TO 2000 TREES NEXT YEAR, AND TO SEE WHILE SHE SLEEPS, OF MONSTERS AND MEN AND THE DANGEROUS SUMMER!

Photographer: ATOM

IT'S BEEN A BLAST, THANKS FOR TAKING THE TIME TO SPEAK WITH US. HAVE YOU GOT A MESSAGE FOR EVERYONE SEEING THIS? A MESSAGE? HMM.... Welcome to Elite Online, how you doin'? Hey Elite, I'm great, thank you so much for having me!

Wonderful to have you featuring, what was it like to shoot with us? Magical to say the least! ATOM is so funny and professional, he made the entire experience incredible!

WHAT HAVE YOU BEEN... LISTENING TO RECENTLY? RECENTLY I HAVE BEEN LISTENING TO A BUTTLOAD OF 80S SYNTH ARTISTS. MY FAVOURITE AT THE MOMENT IS NEON NOX. IF YOU ENJOY DANCING TO THE THEME TUNE TO STRANGER THINGS, THEN THIS IS DEFINITELY THE GENRE FOR YOU! ...WATCHING RECENTLY? WIPES AWAY TEARS I JUST COMPLETED THE NEWEST SEASON OF STRANGER THINGS. I THOUGHT IT WAS THE END OF THE FRANCHISE, SO I WAS PREPARING MYSELF FOR THE MOURNING PERIOD... UNTIL THAT VERY LAST SCENE. BOOM! SEASON 4, I'M READY! HOWEVER, I WOULD HAVE TO SAY FAVOURITE SERIES OF ALL TIME HAS TO BE BUFFY THE VAMPIRE SLAYER. ...WEARING RECENTLY? BEING NUDE, IT'S ALL I CAN BARE!

Photographer: ATOM

A woman with vibrant, curly pink hair and a black fishnet bodysuit is sitting on a bed with white linens. She is looking back over her shoulder at the camera. The background is dark and out of focus.

How was your trip up to Newcastle, did you have fun? I sure did. I travelled down from Glasgow by train for a Tattoo guestspot, and stayed in a lovely modern penthouse in the city centre. It was great having so many restaurants right on the doorstep! What's not to love, right?!

Do you also watch what you eat, or is every day a cheat day? Oh boy! I mostly fuel myself with sugar. I love anything sweet! I guess you could say, I'm more of a snack eater as apposed to full 'adult-like' meals.

What's the dirtiest meal you regularly stuff your face with? Babies. On the daily, you can innocently catch me having them as a snack for lunch... oh wait, I mean Jelly Babies, of course!

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Liquor might not solve all your problems... but it's worth a shot! All puns aside, I'm not very fond of alcohol really, I tend to just drink water!

Photographer: ATOM

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out? I have a love-hate relationship with the sun. I love the heat and vitamin D, but at the same time I try to maintain a nice pale complexion.

Summer means festival season, got any dates or gigs you're looking out for? At the moment I am preparing to head off to travel America and Canada. My next main event that I am super excited for this summer is DragCon NYC!

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I've only done a few shoots so far, so I would love to try a few different places before selecting a favourite, just yet. But I would absolutely love to shoot in an arcade, with lots of neon signs, or in an abandoned building, that would be fun! That would maybe be better suited for autumn though.

SPEAKING OF AWESOME WORK, ARE YOU INSPIRED BY ANYONE IN PARTICULAR OUT THERE RIGHT NOW PUTTING CONTENT INTO OUR BRAINS? A LOT OF MY INSPIRATION DERIVES MOSTLY FROM 50S - 80S 'PIN-UP' ILLUSTRATIONS. I LOVE THEIR OVERALL AESTHETIC AND CONCEALED HUMOUR IN THEIR EXPRESSIONS. I ALSO TAKE INSPIRATION FROM DRAG CULTURE, FIGURES SUCH AS VIOLET CHACHKI AND MISS FAME. THEY ARE ICONIC.

Photographer: ATOM

IT'S BEEN A BLAST, THANKS FOR TAKING THE TIME TO SPEAK WITH US. HAVE YOU GOT A MESSAGE FOR EVERYONE SEEING THIS? I'LL LEAVE YOU WITH A QUOTE FROM ONE OF MY FAVOURITE MOVIES *TO WONG FOO*, THANKS FOR EVERYTHING! Welcome to Elite Online, how you doin'? So much better now the heat has calmed down! My poor albino self can't handle the sun haha.

Wonderful to have you featuring, what was it like to shoot with us? I had a blast! I love a shoot you can have a laugh on.

Do you also watch what you eat, or is every day a cheat day? My diet is essentially just carbs and sugar. I'm a sucker for a burger and a Krispy Kreme!

HOW WAS YOUR TRIP UP WITH THE GIRLS, DID YOU HAVE FUN?
WE HAD THE BEST TIME! A DAY OF SHOOTING THAT ENDS WITH
A STRIP CLUB IS ALWAYS A GOOD TIME IN MY BOOKS.

What's the dirtiest meal you regularly stuff your face with? Burger King. I have at least 1 a week!

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Anything girly and fruity! I do love a Jameson's and lemonade but if a cocktail is on offer, I'm always down.

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out? Having the excuse to hide in the house from it haha. To be fair, if there's a nice breeze, I'm happy to go out and play or hit a beach.

Summer means festival season, got any dates or gigs you're looking out for? It's made me so sad that I've not made it to any festivals this year, but next year, I will get to Slam Dunk at least!

Photographer: ATOM

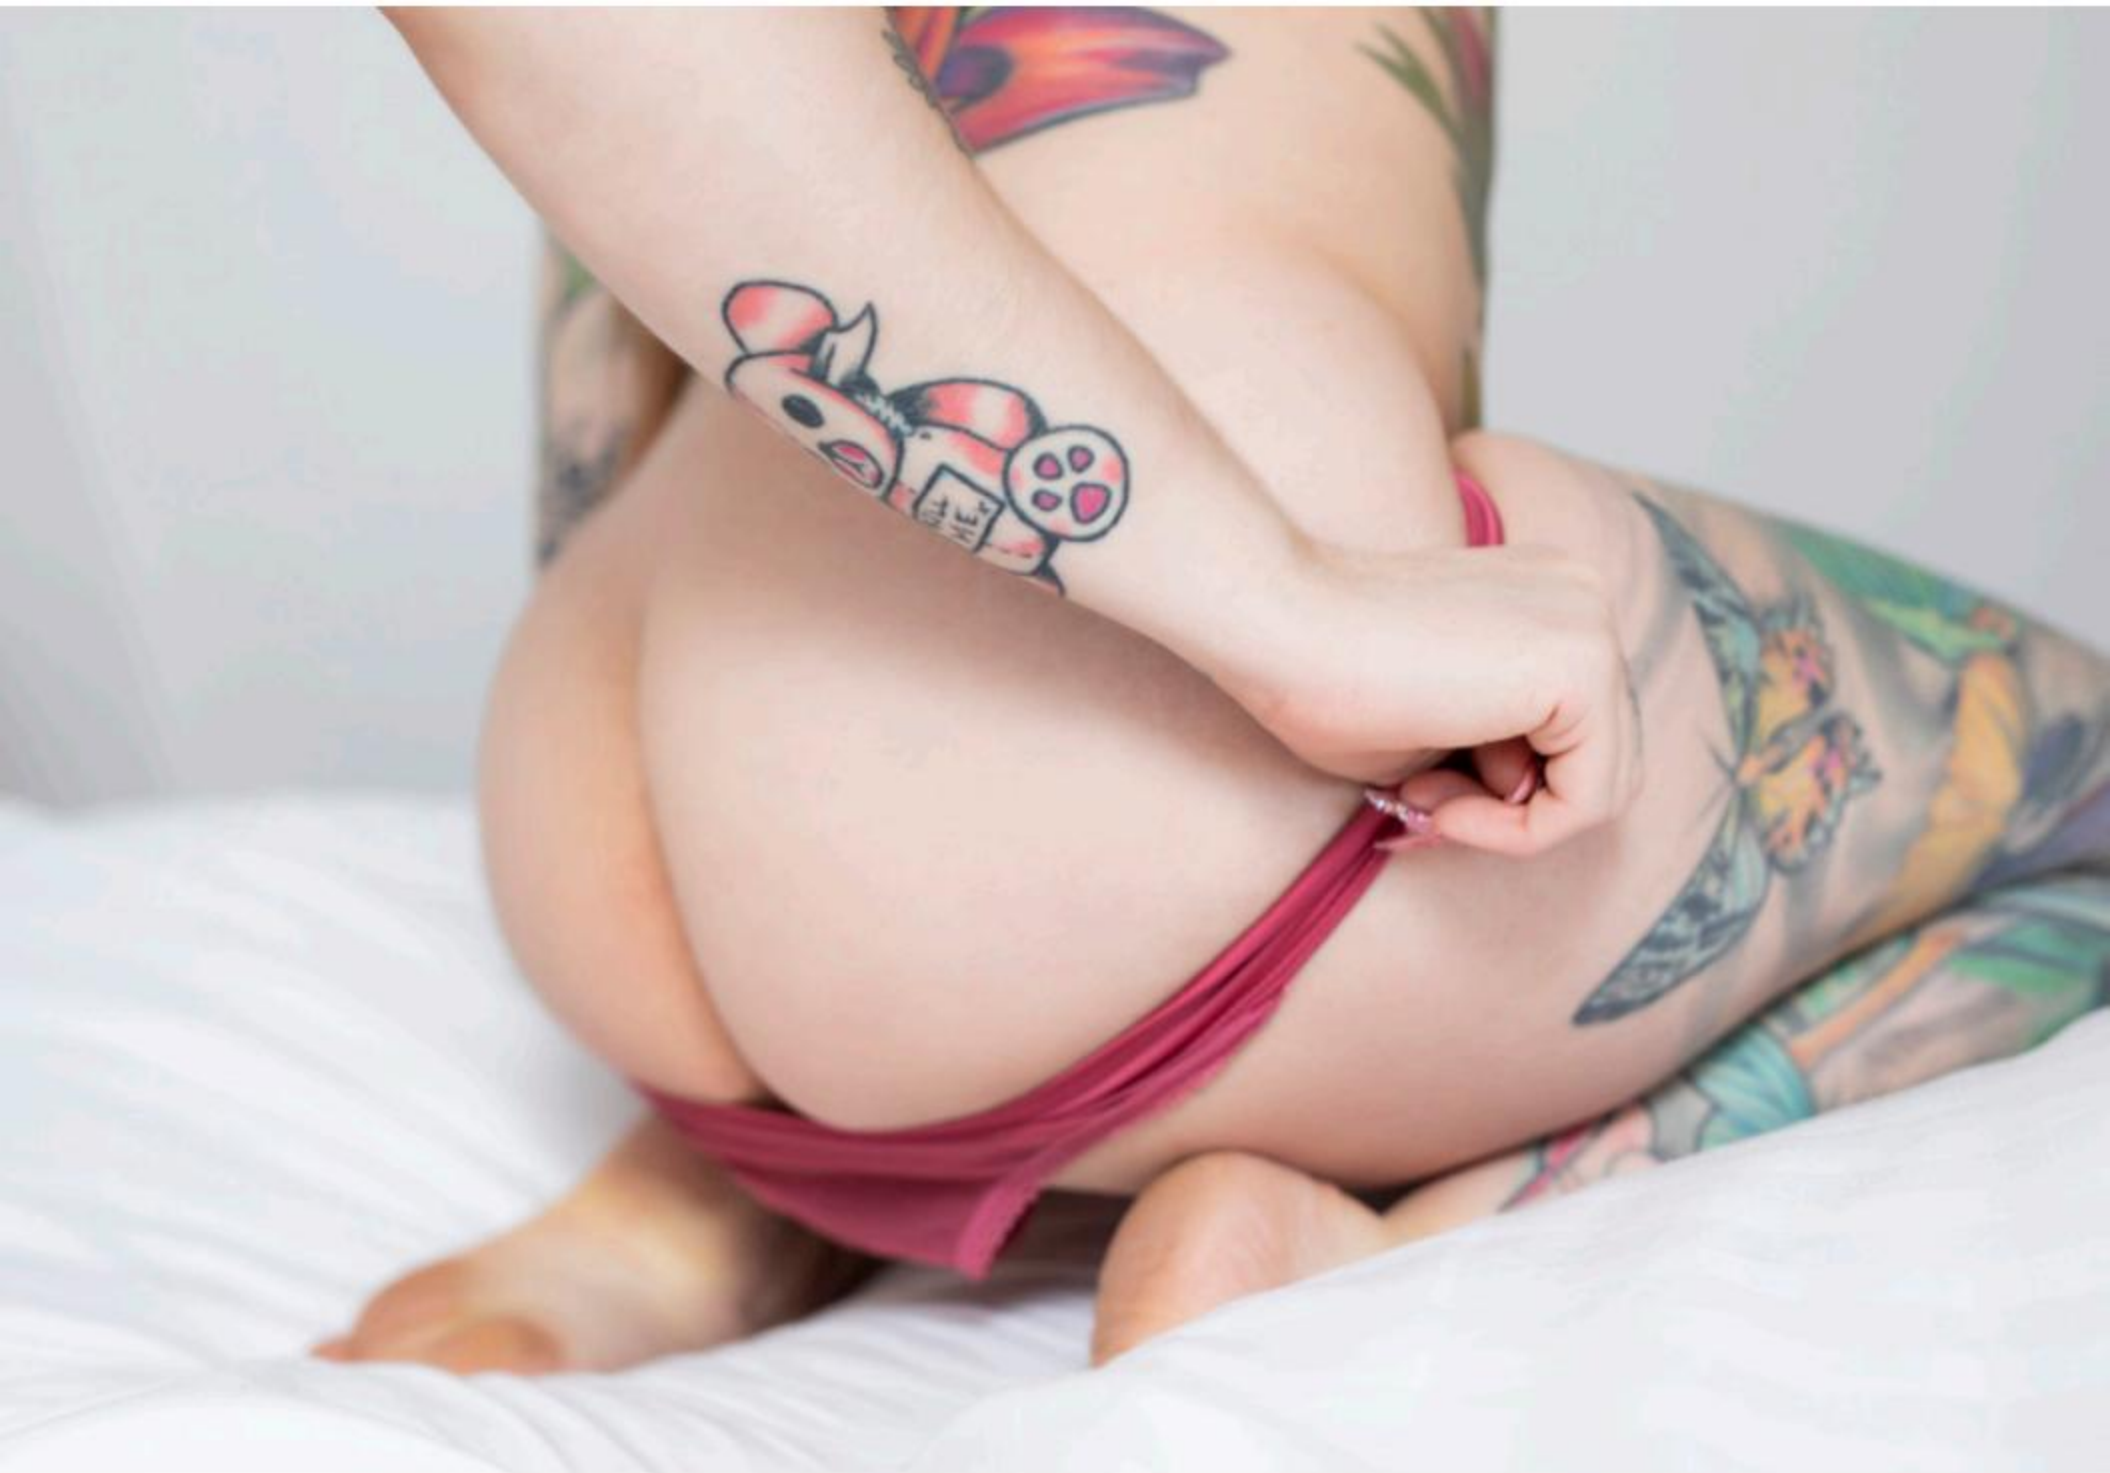

SUMMER ALSO MEANS LOTS AND LOTS OF OUTDOOR SHOTS. WHERE IS YOUR FAVOURITE PLACE TO SHOOT? AND WHAT'S A MUST ON SET FOR YOU? I LOVE A DIRTY URBEX SHOOT. I USED TO ONLY DO THOSE, BUT I'VE BRANCHED OUT A LITTLE MORE NOW. I LOVE A GOOD PLAYLIST AS WELL. I'M ALWAYS DANCING BETWEEN SHOTS!

What have you been...

...listening to recently? I'm so late to the party, but I've finally got Spotify and I am living for the playlists it makes up for me. I still end up listening to the same emo shit from when I was 16 though haha.

...watching recently? Also, how good was the new Stranger things?!? Between that and End Game, I am emotionally broken.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? I'm a proper cocktail girl, I also make the best cocktails.

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out? The sun is out, and I am excited for it to go back to bed because I'm a proper winter baby.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I'm yet to do a holiday shoot with a pool and things, I have to get myself on one of them because that would be my favourite. An absolute must on set is laughing, I love that one second when your laughing the next is super serious camera face.

ERICA FETT

Welcome Erica, always a delight to feature a lady of your wonders. How have you been? Hiya everyone! I've been super and I hope you have been too!

You're a very busy lady, with multiple fingers in multiple pies, so to speak. Do you ever struggle for inspiration going from shoot to shoot? Sometimes I do, most definitely! Sometimes I am in the mood to shoot more of cosplay one month and the next I focus on boudoir!

You're a chameleon of a model, constantly changing what you produce and keeping your work fresh. Is that all instinct, or do you experiment with different poses, looks and body positions in your downtime? I'm always looking for new poses or ideas for shoots! I honestly believe I have a lot of room to grow when it comes to posing. I always want to learn more and find new inspirations with positions and poses so I do practice sometimes, though not as much as I need to!

A person with extensive tattoos is lying on a wooden floor. The tattoos include a large, colorful design on the back featuring a woman's face and floral patterns, and a smaller tattoo on the upper arm. The person is wearing white socks with purple and pink stripes. The background shows a white door and a wooden cabinet.

You've got to hit the gym pretty hard right? Please don't say it's just a high metabolism, we will cry. It isn't easy for me to get to a gym every day so I brought a gym home to me and put one in my garage! I do fun and light workouts throughout the week, but nothing too crazy!

Tattoos are of course a massive part of your creativity. Do you see your ink as an evolving work in process, or is there a structured plan? Most of the time I have a plan but it's an evolving plan!

We're speaking aesthetically of course, and a magnificent part of your aesthetic is a quite fabulous pair of boobs. Do you understand people's fascination with them yet? I don't really understand fascination with any part of me: P

Food is obviously very important to you Erica, what would you say your favourite meal is? Right now I'm obsessed with Beyond Burgers. I eat one almost every day!

You have just been to the UK to visit us, tell us one of your favourite stories of being there? I have a blast every time visiting the UK because I get to experience new things every time! If I had to name just one memory it would be an Escape Room in Edinburgh with my friends. That would hands down be one of my favourites!

What anime are you obsessed over right now? I'm about halfway through Neon Genesis Evangelion and really digging it!

You're involved in so many elements of the industry, one of my favourites being the SuicideGirls. What does it mean to you being a part of that sisterhood? I've met some amazing, strong, talented, kind women due to Suicidegirls - many of whom inspire me every day!

Photographer: ATOM

Another industry you are involved in, is the cosplay world. Do you have any favourite days as a cosplayer?

One of my favorites was with Keshia and ATOM Creative when we decided to shoot Daenerys from Game of Thrones on the coastline on a super frigid day! Super cold, but super fun and the shots were gorgeous!

Your work takes you all over, and to some exotic locales. Where is the best place you've shot? I loved shooting Catwoman on the streets of New York City- it felt very Gotham!

Which brings us to your Elite Online awesomeness this month. How was your cover shoot? The cover shoot was a ton of fun!

Our photographers are pretty big deals; quality personified. How did you get on? Tripodski and ATOM Creative are fantastic to work with! I already can't wait to get back over for more shoots and shenanigans!

Summer has arrived, hotness is upon us. What does summer mean to you? Ice-cream? Festivals? Sunburn? Lots of ice cream and lots of bikinis.

We mentioned downtime earlier, what have you been feasting your eyes and ears on recently? Stranger Things Season 3 and now Orange is the New Black!

We're drawing to a close sadly. Before you go, make us all feel like we know you a little more. Whisper a secret about yourself in our ear... I wanted to be an Egyptologist when I was little!

Photographer: ATOM

You came over and were shooting with Neptune. Set the scene for our readers. We see the sexy results, but what goes on during an Neptune shoot? Neptune is an incredible model. She's great with posing and knowing positioning, and super easy to work with! We've been posing next to each other for years and it's usually her on the one side looking like an absolute babe and me apologizing that my breath may or may not smell like Doritos.

**SPEAKING OF YOUR LOOK, HOW DO YOU KEEP
EVERYTHING SO IMMENSE? DONUTS AND COFFEE.**

**WELCOME TO ELITE ONLINE, WONDERFUL TO HAVE YOU FEATURING,
WHAT WAS IT LIKE TO SHOOT WITH US? ABSOLUTELY AMAZING!
I DON'T THINK I'VE EVER LAUGHED SO MUCH ON SET BEFORE.**

How was your trip up with the girls, did you have fun? I actually came up on my own because I live in the opposite direction to all of them, and I managed to arrive first which never happens! But I'm so excited to be with them all again I miss them so much.

Do you also watch what you eat, or is every day a cheat day? Well I'm vegan which is arguably healthy in some respects, but there's also a lot of vegan snacks and junk food out there. But I try (BIG emphasis on try) to just have everything in moderation. Though I've definitely eaten multiple packs of Oreos in one sitting before.

What's the dirtiest meal you regularly stuff your face with? Oooh there's a vegan diner near me called 'oowee' which does amazing vegan fried chicken, and then I also get a side of marmite fries and lots of siracha mayo. My mouths watering just thinking about it.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? If I'm being a boujie bitch then a cocktail, like a disaronno sour or something. But day to day vodka orange juice and lemonade.

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out?

Honestly I'm such a vampire I really hate the sun haha. I can deal with a bit of heat providing there's a breeze and lots of shade, but I really can't stand proper hot weather. I do like drinking cocktails in the sun though and the fact that everyone just seems way way happier.

Summer means festival season, got any dates or gigs you're looking out for? I don't - god I'm so boring! I recently went to see Icon For Hire which was AMAZING as I've loved them since I was in school, but apart from that nothing set in stone - guess I'll have to just see who invites me where.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I LOVE shooting in Brighton. I lived there for a fair while and it holds a hugely special place in my heart. Must on set is definitely ice cold drinks (preferably iced coffee) and ideally a big body of water to cool off in after!

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? Ooh so many people! I've been focusing a lot on my cosplay lately so I'm obsessed with Alison Tabitha whos does amazing cosplay transformations.

What have you been...

...listening to recently? Well I'm currently in rehearsals for a production of Rent where I'm playing 'mimi' so I'm listening to the soundtrack on repeat. Pretty sure my neighbours hate me haha.

...watching recently? I'm about halfway through the second season of Working Moms and trying to keep up with season 6 of Brooklyn Nine-Nine. But usually if I'm not just putting something on for background noise it's always Fresh Prince!

...wearing recently? Very little on account of the heat. Just lots of sun cream because my pale vampire skin can't cope.

Do you also watch what you eat, or is every day a cheat day?

Everyday is a cheat day... pizza is love, Pizza is life.

What's the dirtiest meal you regularly stuff your face with?

There isn't one that I regularly have. But I do eat a lot of fast food.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Always beer!

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out? Sunbathing naked and BBQs!

Summer means festival season, got any dates or gigs you're looking out for? I just recently went to Slam Dunk, but no more until next year unfortunately.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I want to go on holiday to shoot so bad! But until then a beach shoot is what I want to do next. A must is snacks.

Welcome to Elite Online, how you doin'? Hey! Always great, thanks for having me!

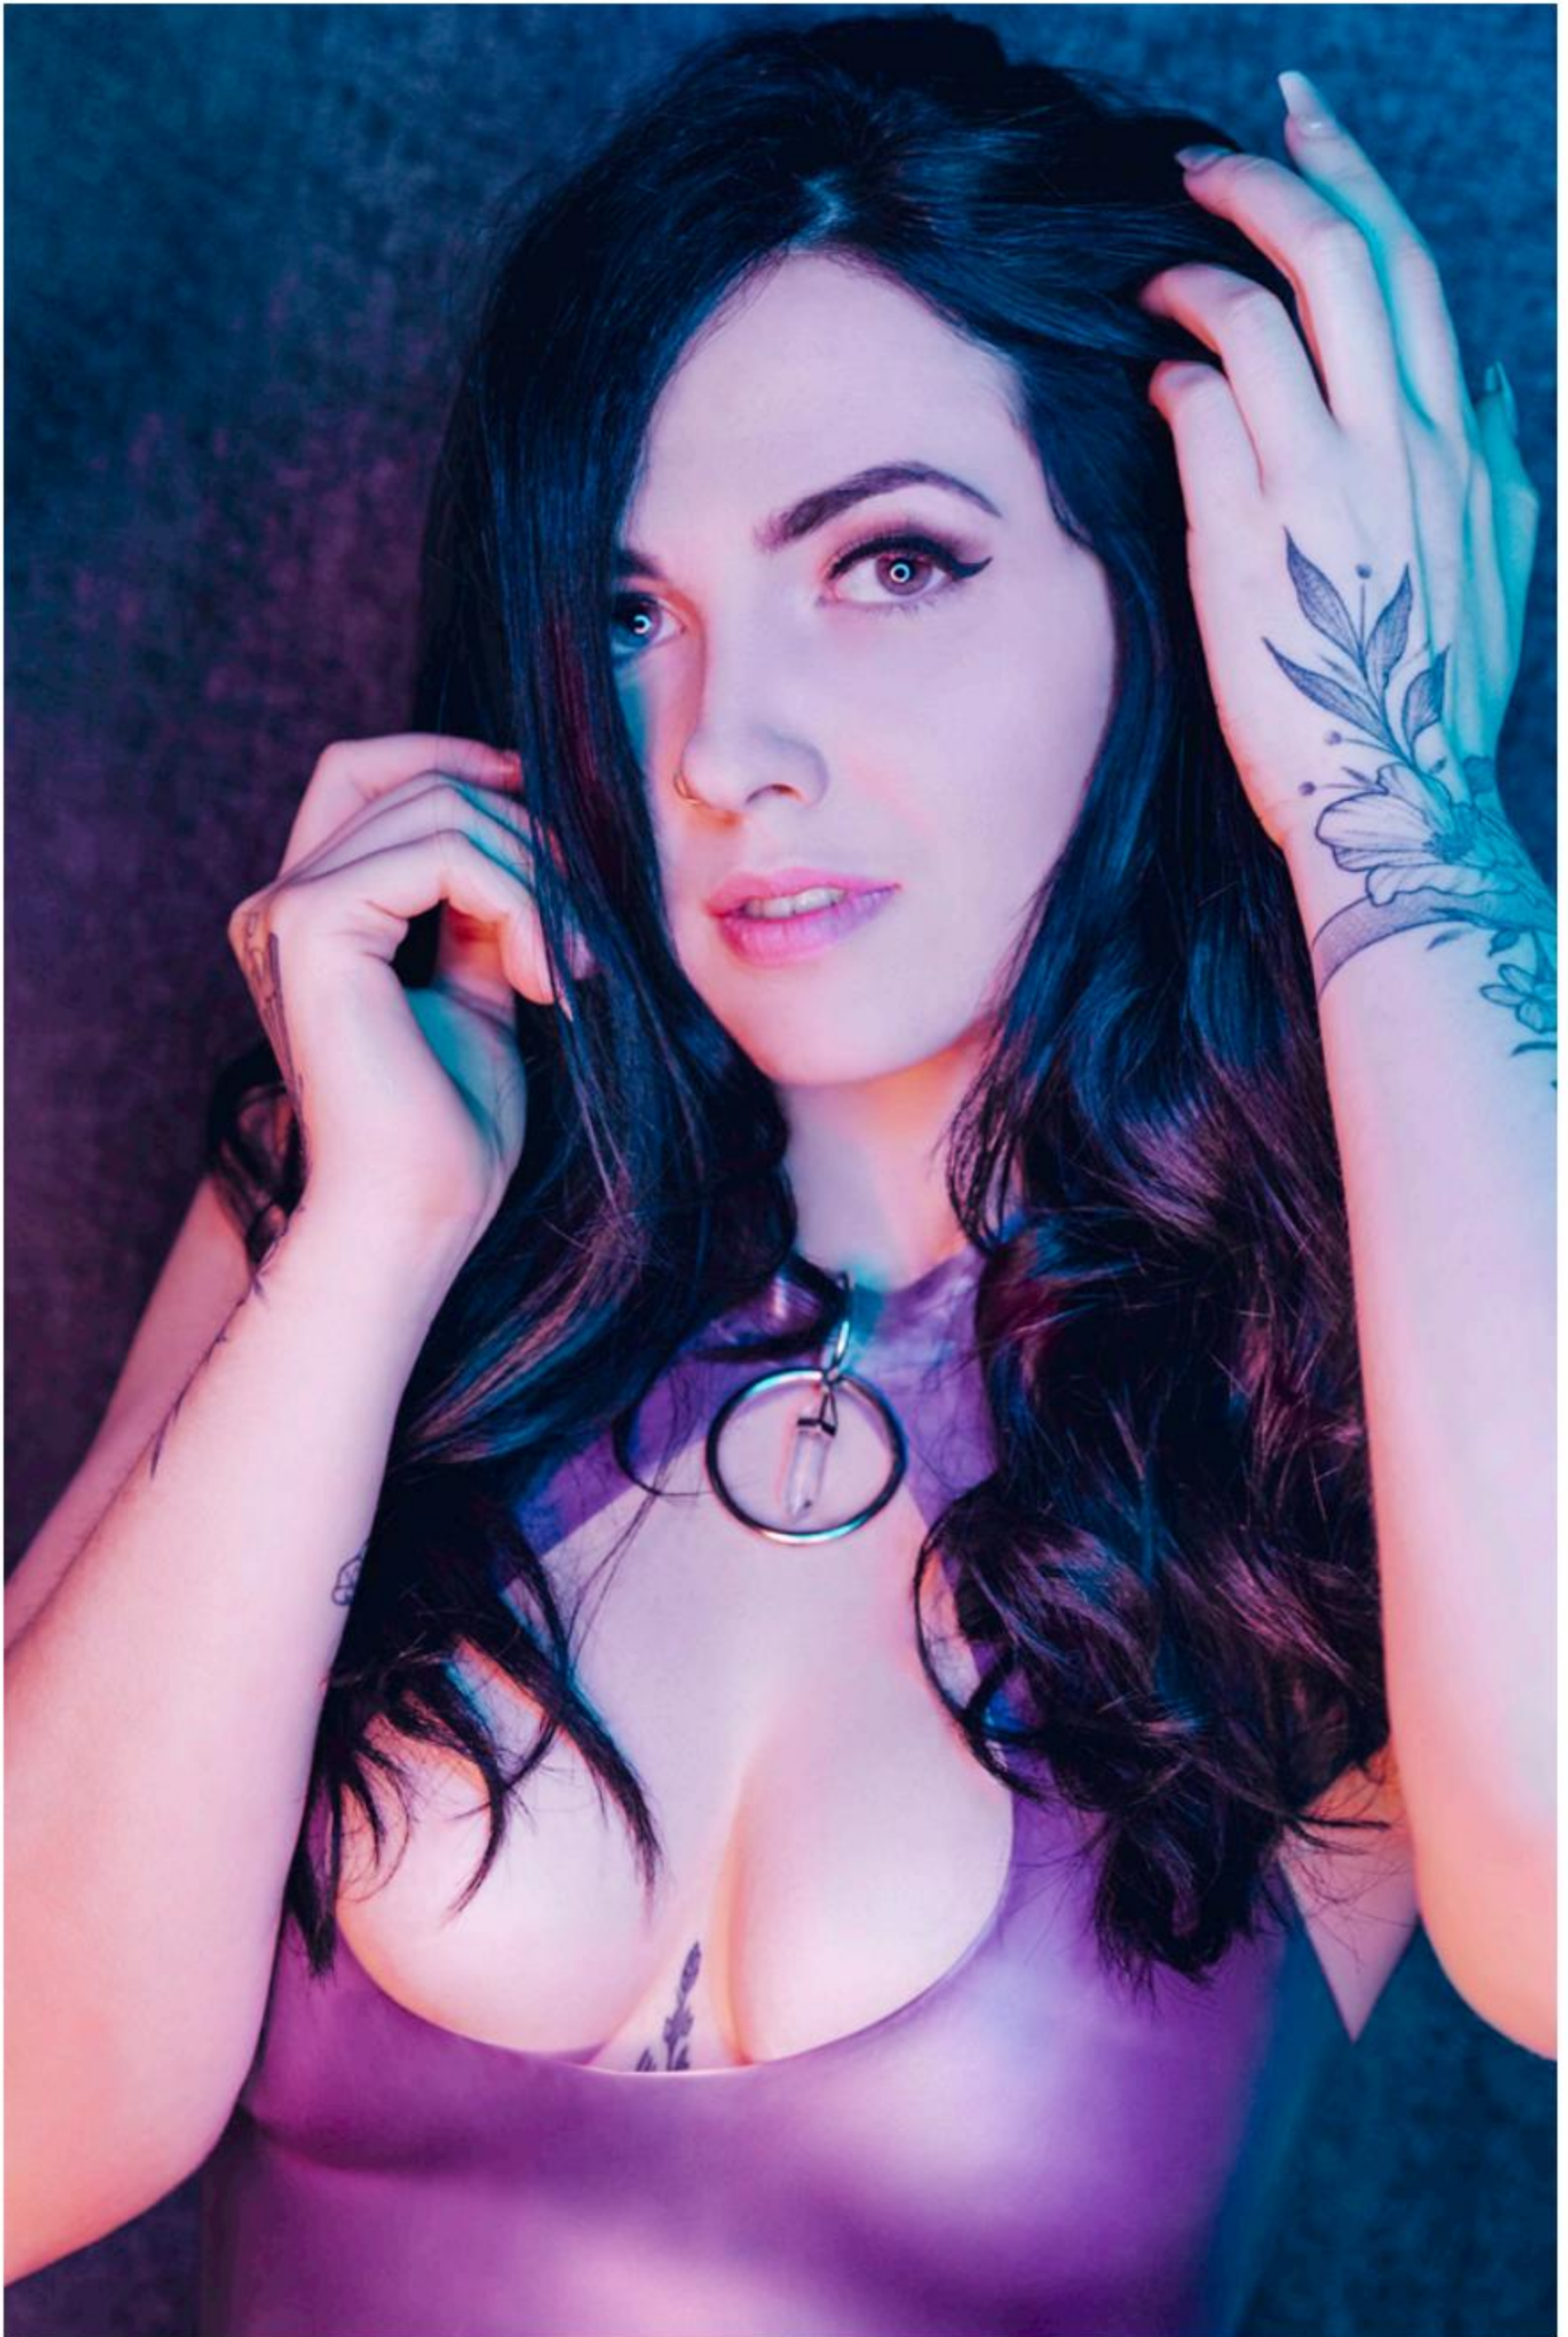

Wonderful to have you featuring, what was it like to shoot with us? It was so much fun, really enjoyed the vibes of the shoot as well as the girl gang I was with at the time of the shoot!

How was your trip up with the girls, did you have fun? It was amazing! It was my first time in Newcastle and we made the most of it and partied.

Do you also watch what you eat, or is every day a cheat day? I have a mix, I try and watch what I eat, but I still eat like a student and live off Pot Noodle, so that lifestyle suits me.

Photographer: ATOM

What's the dirtiest meal you regularly stuff your face with?

Pot noodle, always.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? If I could have an alcoholic drink, it's always a cosmopolitan. Cosmopolitan and a pot noodle. Great mix haha.

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out? I'm half Scottish and goth, so if the suns out, I'm indoors waiting for the rain to hit.

Let's go

Summer means festival season, got any dates or gigs you're looking out for? Not this year as I'll be going to LA in September so saving those pennies. Though the next gig I'll be going to is to see my favourite band, Kill Switch Engage!

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? It does! I love shooting anywhere as long as I've got my friends around me, it's so much fun shooting all at once and I love those vibes. A must is always music, but I'm not too much of a diva aside from that.

A woman with long dark hair and multiple tattoos is posing on a bed. She is shown from the back and side, looking over her shoulder. Her tattoos include a large floral design on her left thigh, a script tattoo on her left waist, and a geometric design on her lower back. She is wearing a thin chain necklace and a bracelet. The background is a simple room with a white bedsheet and a lamp.

STEVIE DAGG

Welcome to Elite Online, how you doin'? Hiiiiiiya! Oooooe thank you so much for having me again! Elite is where my modelling started and I love it just as much today as I did those years ago :) Life is treating me wonderfully at the moment and I really couldn't ask for more! So much to look forward to with good people.

Wonderful to have you featuring, what was it like to shoot with us? It's always fun. To be honest, I see you as friends now rather than me just coming to shoot with you guys. Super comfortable, super happy and always leave with a massive smile on my face :) always recommend all my model friends to give you a message as I enjoy shooting with you so much.

How was your trip up to Newcastle, did you have fun? Newcastle is probably one of the places I've visited most. I have family very close by in Sunderland and it's a very lovely place to visit.

Photographer: ATOM

Do you also watch what you eat, or is every day a cheat day? Honestly...

I've always been a yoyo girl, very up and down from slim to plus size, I like a little more to grab though so it's cool haha. I can eat A LOT. I mean, a 16 inch pizza can go down in one without breaks. But also when I'm coming up to a shoot, I try to eat better so I'm a little more lean :) I fully think though that everyone should enjoy life and eat what you want, if you are happy and comfortable, eat it giiiiiiiiirl.

What's the dirtiest meal you regularly stuff your face with? Ha...

well, I'm a crap cook, so takeaways are pretty often for me. I've just discovered "chippizza" which is chips with pizza sauce and cheese on and Peri Peri chicken, banging ha (can I say that? Do you get my north Yorkshire slang haha.)

Photographer: ATOM

You've gotta have a drink to wash it down as well. What's your alcohol of choice? To be honest, I would be lying if I said I have a fave alcoholic drink. Each to their own, but I don't drink, so orange juice or chocolate milkshake for me please and thank you :)

Summer has hit us here in the UK. What do you look forward to the most when the sun comes out? Sun's out guns out yo. Haha nah, I love life all year round. If you

wait for happy times in the summer, then you miss out on all the happy times in every other season.

Summer means festival season, got any dates or gigs you're looking out for? I recently had a little stay in Manchester at Hotel Gotham and it was wonderful! Other than that, I've got a van that's all kitted out, so weekends away sat out the back all comfy with a cuppa watching nature, I could do it everyday no matter the weather :)

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? Well I just did a new set in some woods near me. I shot for the first time with the lovely Niall. The woods and fields we shot in, the lighting and the angle from the little patches of sun, it just made it a stunning place to shoot! A must? Well, funnily enough I actually feel way more comfortable when I'm half dressed in the set, but I guess I'm in the right industry for that haha.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? There are so many photographer, artists and models I look up to. I admire their confidence, and their originality. I wouldn't say there was one person in particular as really I look for different, a different eye or a different look to the norm and I'm in love with the content :)

What have you been...

...listening to recently? Listening to Lil Wayne - Dedication 5.

...watching recently? I don't watch TV I'm afraid. So.... unexplained mystery videos on YouTube haha.

...wearing recently? I got some dope Nike Air Force Ones for my birthday, what else do I need?
